Variety Show Draws Larger Growd In 1960

The second Variety Shop put on by the Grayling Woman's Club has gone down in history as a mem-orable event. The show, staged Tuesday and Wednesday night last week, was admirably supported by the public, as shown by the ticket returns which were considerably greater this year than last. The audiences on both nights proved appreciative of the effort expended by all the members of the Woman's Club in putting on the show, well as of the performance of the cast, ranging from inspired to slightly pixilated, which added up to a surprising amount of talent.

New Deep-Section design meets all Federal Standards for Interstate Defense Highways and insures outstanding service life-designed for rugged durability. No scaling from de-icing salts. No brittle surface to

crack-even under the heaviest traffic. Here's smoother riding for generations!

THEY RIDE SAFERI Modern Asphalt Pavements are engineered

for maximum skid resistance—wet or dry. No sawed-in cross joints to thump wheels or jar steering. No dangerous lane-joints to swerve your car. Lane markings stand out clearly day or night.

THEY COST LESS!

They tax you less! Compared to concrete, deep strength Asphalt Pavements provide more miles of wider roads for less money by the efficient use of local aggregates. The savings from use of deep strength design often runs as much as \$100,000 per mile over comparable concrete construction. These savings can be used to build local roads-resulting in a better balanced, modern overall road system.

According to state game and fire wardens there are 48,000 deer in Michigan in the upper peninsula, and 4,000 in the northern part of the lower area of the state south of the Straits of Mackinac.

Special efforts are being made to hurry up the state fish hatchery that is to be located on the East Branch. To aid in the establishing of this a new club was organized, the first of the week, at the Rainbow fishing club and Marius Hanson was elected president and Frank Calkins secretary. Messrs T. W. Hanson and Marius Hanson were in Detroit the first of the week and while there interested others to assist in the project. It is quite certain that the hatchery will be established here sometime this year.

Elect New Officers

The Frederic PTA held its regular meeting on Monday, May 9, at 8 p. m. The Kindergarten class put on a little skift about the many things they had learned and liked inroughout the year.

Due to bad weather, many members did not turn out. About 35 did, to elect new officers for the coming year as follows: President, Mrs. Hazel Koernke, vice-president, Mrs. Hazel Koernke, vice-president, Mrs. Hazel Koernke, vice-president, Mrs. Evaluabert, seertary, Mrs. Evelina Allen.

In looking back over the past year, the PTA has had a very successful year, completing all of its projects. Our many thanks to the out-going officers for their efforts.

At the beginning of the new school year next fall, accident insurance will be available at \$1.50 per school year per student. The student is covered from the time he gets on the bus until he arrives home, and also during any school activities. Each student will receive an application on registration day. This policy has been checked and is approved:

THE BIG MILL

The Salling Hanson & Co. saw mill was located on the west side of US-27 bridge here in Grayling. The little building which was their power house and pump house still stands. The first mill was built by Mr. Goodell and in 1878 he sold it to the Salling Hanson & Co. The mill was rebuilt twice — once in 1880 and then again (the one pictured above) in 1889. This mill's whistle was blown for the last time on September 1889.

CRAWFORD COUNTY POST OFFICE

Appenzell, Deward, Eldorado, Hardgrove, Lovells, Pero Choney, Sigibos and Wollington post offices were closed as lumbering and farming became less important in Crawford County, Eldorado, first established as Jack Pine Post office, became, in 1908, Eldorado after it was moved. It closed in 1952. The Wellington Post office opened Sept. 7, 1919 and was discontinued April 30, 1939, Pere Choney had a post office with Stuart Hutt as postmaster in 1881. Mr. Hugo Schreiber was postmaster at Sigsbee when it closed in the early 1930's. Mr. John Neiderer was postmaster at Appenzell, and Mr. William Kirkby was postmaster at Hardgrove, Mr. T. E., Douglas was postmaster at Lovells but Mrs. Sims operated it for him.

Grayling and Frederic are the only post offices operated in Crawfor

Grayling's first post office, it is thought, was in a small building next to the light house along US-27. In-1877 David London was posimisator. Other post offices were in buildings located where the Crawford Avalanche, Emil Kraus store, Heer's Decorating Shop, Burns Hardware and Ben Franklin Store are now. Our present post office was the first building government owned for that purpose in Grayling and was dedicated November 11, 1837. Mr. James Post is the postmaster now.

Frederic post office was once located in the Chas Kelley atore and Mr. Kelley and Louis Gardner were early postmasters. Frederic has had two women for postmasters. Mrs. Letha Long is now Postmaster.
